Thank you for your interest in enrolling your child(ren) at Calvary Christian Academy (CCA). **Applications will be accepted between April 1 and June 15, 2020 for the 2020-21 school year.** Scholarships are awarded according to need, the merits of each applicant, monies available, class placement, and priorities established by the Scholarship Committee. These priorities include:

- CCA, Learning Center, and Mercy Culture Staff
- Mercy Culture Church and Active Serve Team Members
- Full-time Military Family
- Full-time Pastor/Minister
- Single parents and/or families with limited income
- Emergency circumstances that call for temporary assistance

Scholarships generally cover only a portion of the tuition cost. Parents and/or guardians are responsible for all remaining tuition and fees not covered in the award. Failure to meet the agreed upon financial responsibility may result in discontinuance of aid, up to and including termination of enrollment. Please review the Scholarship Criterion Attachment for more details.

For new students, a completed student application must be submitted BEFORE this scholarship application can be submitted; new families must go through the new enrollment process first. For returning students this application may be submitted anytime during the application window (4/1-6/15). If applying for aid for more than one student a separate application **for each child** must be completed. **Falsification of any information will disqualify the applicant from any award of benefit and may disqualify the applicant from attending CCA.**

Depending on the nature of this application, we may request sensitive financial information, including the most current federal tax returns. All information submitted is considered confidential and will be reviewed only by the Scholarship Committee of Calvary Christian Academy. Should the applicant family's financial status change during the period that scholarship aid is in effect the family is required to notify the Scholarship Committee of the change.

Applicants will be notified by June 30 if a scholarship is awarded.
