

A Strange Way to Save the World (3rd-5th)

I'm sure he must have been surprised
At where this road had taken him
'Cause never in a million lives
Would he have dreamed of Bethlehem

And standing at the manger
He saw with his own eyes
The message from the angel come to life
And Joseph said

Solo (Joseph):

Why me? I'm just a simple man of trade

Solo (Mary):

Why Him, with all the rulers in the world?

Solo (Joseph):

Why here, inside this stable filled with hay?

Solo (Mary):

Why me? I'm just an ordinary girl.

Duet (Mary and Joseph):

Now I'm not one to second guess
What angels have to say

EVERYONE

But this is such a strange way
To save the world.

EVERYONE

To think of how it could have been
If Jesus had come as He deserved
There would have been no Bethlehem
No lowly shepherds at His birth

But Joseph knew the reason
Love had to reach so far
And as he held the Savior in his arms
He must have thought

Solo (Joseph):

Why me? I'm just a simple man of trade

Solo (Mary):

Why Him, with all the rulers in the world?

Solo (Joseph):

Why here, inside this stable filled with hay?

Solo (Mary):

Why me? I'm just an ordinary girl.

Duet (Mary and Joseph):

Now I'm not one to second guess
What angels have to say

EVERYONE

But this is such a strange way
To save the world.

(Echos)

Why me? Simple man of trade

Why Him? Rulers in the world.

Why here? Stable filled with hay.

Why me? Ordinary girl.

Duet (Mary and Joseph):

Now I'm not one to second guess

What angels have to say

EVERYONE

But this is such a strange way

This is such a strange way

This is such a strange way

To save the world.

O HOLY NIGHT (Solo only)

O holy night, the stars are brightly shining
It is the night, of our dear Savior's birth

Long lay the world, in sin and error pining
Till He appeared, and the soul felt it's worth

A thrill of hope, the weary world rejoices
For yonder breaks, a new and glorious morn

Fall, fall on your knees
O hear the angel voices
O night, divine
O night, when Christ was born
O night, O night, O night divine

Christ, is the Lord
O hear, O hear the angel voices
O night, when Christ was born
O night divine
O night, O night divine
The night that heaven came down
The night God's glory shone around
O holy night, O holy night, O holy night

The Night That Heaven Came Down (3rd-5th)

The night that heaven came down
And God's glory shone around
The angels proclaimed that a Savior was born
He was King of Kings, He was Lord of Lords
The world would change forever
when the Savior was born

(Repeat)

It came upon a midnight clear
That glorious song of old
From angels bending near the earth
To touch their harps of gold

The night that heaven came down
And God's glory shone around
The angels proclaimed that a Savior was born
He was King of Kings, He was Lord of Lords
The world would change forever
when the Savior was born

Peace on the earth, goodwill to men
From heaven's all glorious King
The world in solemn stillness lay
To hear the angels sing

The night that heaven came down
And God's glory shone around
The angels proclaimed that a Savior was born
He was King of Kings, He was Lord of Lords
The world would change forever
when the Savior was born

Come to Bethlehem town

Echo: Come to Bethlehem town

Where the baby is found

Where the baby is found

There was love all around

There was love all around

The night that heaven came down

The night that heaven came down
